Re: **Letter of Reference**

Dear Paul:

Please accept my positive recommendation for KPM Communications.

In my role with the Economic Development Council, I had the extreme pleasure to work with Paul Monty and KPM Communications in building out the new office space for the EDC. Paul and other KPM staffers were able to plan, research and execute a telecommunications package for the successful installation of our telephone and communications system, on time and on budget also!

I would strongly refer all businesses who want experience and knowledge in the planning and installation of telecommunication equipment to KPM Communications.

Sincerely,

*Candy Marlow*
