Dear Paul:

I am very pleased to offer this letter of reference for KPM Communications.

You and the staff of KPM Communications were extremely accommodating as we relocated to our new offices in St. Lucie West. You were very helpful in assisting us in choosing the system that met all of our needs and was within our budget. Your thorough understanding of the various systems and our specific needs resulted in a perfect solution for our office.

The installation and technical support that you provided and continue to provide whenever necessary is outstanding.

I can easily refer other businesses to KPM Communications and feel confident that you will provide wonderful service. It is always a pleasure working with you and your staff. Thank you!
